

If you are a Medicare beneficiary, you may be eligible for a program that could save you over \$1,150 a year. Medicare Savings Programs help eligible people by paying Medicare premiums, deductibles and other Medicare-related costs. You can have either standard Medicare or a Medicare managed care plan. Applying is easy.

Call today for information and assistance – you could be putting money back in your pocket!

What types of expenses are covered?

Medicare Savings Programs may cover the following:

- Part A premiums
- Part B premiums
- Medicare co-payments
- Medicare deductibles

How do I find out if I qualify?

Thousands of people in Washington State qualify for a Medicare Savings Program. To find out if you might qualify, look at the income chart in this brochure. For more information in your community, see the back of this brochure for the name and phone number of someone who can help you.

For more information in your community:

If you don't speak English, tell the person who answers the phone what language you speak. An interpreter will help you.

About The Medicare Savings Programs

There are three programs in Washington State:

Program 1

Qualified Medicare Beneficiary (QMB) Program

- Pays Part A and Part B premiums
- Pays deductibles, co-payments, and co-insurance except for prescriptions

Program 2

Specified Low-Income Medicare Beneficiary (SLMB)

- Pays Part B premium

Program 3

Qualified Individual Program (QI-1)

- Pays Part B premium

Find Out If You Qualify (Use This Personal Worksheet)

Follow the easy steps below and compare totals to the chart to find out if you may qualify for a Medicare Savings Program.
